TWICE TOLD TESTIMONY

Barre People Are Doing All They Can
for Fellow Sufferers.

Barre testimony has been published to
prove the merit of Doan's Kidney
Pills to others in Barre who suffer from
bad backs and kidney ills. Last year
sufferer doubt that the cures made by
Doan's Kidney Pills are thorough and
lasting, we produce confirmed proof—
statements from Barre people saying
that the cures they told of years ago
were permanent. Here's a Barre case:

George L. Cummings, engineer, living
at 13 Branch street, Barre, Vt., says:
"Eight years ago Doan's Kidney Pills,
procured at E. A. Drown's drug store,
stopped a constant dull aching in the
small of my back and through the kidneys,
which was always more severe after
a hard day's work. I was convinced
that Doan's Kidney Pills acted up to
the representations made for them and
I told of my experience in a statement
published in our Barre papers. In addition
to the aching in my back there was
a distressing urinary weakness which
was most annoying. Doan's Kidney
Pills cured me of all these troubles and
there have only been slight recurrences
since. At such times I have taken a few
doses of the pills and the attack was al-
ways promptly checked. I have recom-
mended your remedy to scores of people
and know of many who have the
same good opinion of it that I have."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo, New
York, sole agents for the United States.
Remember the name—Doan's—and take no
other.

Assisting Witnesses.

Lawyer Brief—I see they have in-
vented a folding step which is being
used in some courts on the chair used
for witnesses when they are under ex-
amination.

Lawyer Long—That ought to let
them down easily. You know States-
man.

Her Clever Idea.

"Yes, I promised George I'd send
him a message on a picture post card
from every city we visit abroad."

"It will be an awful nuisance, won't
it?"
"Oh, no; I'll get them all ready to
send before I leave home."—Cleveland
Plain Dealer.

MANY SUDDEN DEATHS

From Poisonous Rheumatism.

The Disease Has Its Dangers—Should
Be Taken in Time.

Rheumatism has long been regarded
as a trouble which, while it might be
painful, was not necessarily dangerous.
Very few persons, it was thought, ever
died from rheumatism. Recent investi-
gation among scientists has proved, how-
ever, the utter fallacy of such a belief.
Three-fourths to seven-eighths of the
sudden deaths, heart failures, etc., are
due primarily to neglected rheumatism.
The rheumatic acid poison is allowed to
stay in the system until suddenly one
day it grips the muscles of the heart
and all is over.

Rheumatism is curable if the proper
treatment is used. Liniments, plasters
and all local applications may relieve
the pain for a short time, but no one
ever heard of their permanently curing
a case of rheumatism. The only way
to cure rheumatism is the Urie-O way.
Neutralize the rheumatic acid and drive
it away from the system. That is what
Urie-O does. No matter what is the
kind or character of the rheumatism,
it is all caused by the same rheumatic
poison. Lumbago, muscular or articular
rheumatism yields at once to Urie-O.
The Red Cross Pharmacy is the home
of Urie-O in Barre and they can tell you
all about its wonderful virtues and the
many cures it has made right here in
your own town. It sells for 75c and
\$1.00 a bottle. If you wish to test
Urie-O before purchasing, a letter to
the Smith Drug Co., Syracuse, N. Y.,
will bring you a trial bottle free of all
charges.

noon at two o'clock. It is expected that

has been on trial since Thursday of

The electric lights have been running
by water and on short time of late
owing to the alleged fact that it is
almost impossible to obtain wood at
prices that the management will pay.
It is hoped by the patrons that this
obstacle will be overcome and that they
may receive what they buy and pay
for. If, however, the manner of our
recent service is continued, a strong
effort will be made to have lights
brought into the place from some other
plant, that can furnish the goods that
they charge for.
